SEATING POSTURE

We recommend computer users adopt an open-angle sitting position, with knees slightly lower than hips.

Always sit near the back of your seat.

Adjust the lumbar support height so that it fits into the lumbar contour of your back.

Adjust the tilt tension so that when the synchro tilt is released the chair supports your weight in an upright seated position but allows you to lean back easily if you choose.

Sit close to your workstation.

Your feet should be flat on the floor or on a footrest.

Keyboarding and mouse operation should be achieved comfortably without stretching.

WARRANTY

Eden Office accept full responsibility for faulty workmanship and/or mechanical failure on Cloud chairs. Chair parts will be repaired or replaced free of charge within this period.

Repairs undertaken by any other party, or adjustment or tampering with mechanical parts, could void the warranty.

CHAIR CARE

The **mechanical parts** of your Cloud chair require little or no maintenance.

The **castors** should be kept clear of threads or other objects that would inhibit their movement.

The **gaslift** contains pressurised gas and should not be tampered with in any way.

The **foam and standard fabric** used in the upholstery of Cloud chairs comply with standard AS/NZS 4088.1:1996.

Vacuum regularly. Protect from direct sunlight. Professional cleaning is recommended.

For spot cleaning: Wipe clean with a damp cloth, or shampoo using upholstery shampoo. A mild citrus cleaner may also be used.

This chair is covered in:

- Polyester fabric
- Other
